

# Rediscover DOWNTOWN URBANA

This annual event is to establish a time for all Urbana Alumni to return to Urbana where they can meet, host class reunions and celebrate our school. The Alumni Event shall be held in conjunction each year with the UHS Homecoming. The annual event will also utilize this time to raise money for various Middle and High School project needs.

The UAA supports projects that enhance schools, their programs and participation in activities that enrich the school experience. We focus on the middle school and high school, where all our students come together. Our support comes from annual membership dues, from fund-raising events and special fund-drives. The more help we get in fundraising, the more we can provide to our schools. Previous projects supported by the Urbana Alumni Association include:

Musical Chairs  
UHS Athletic Gateway  
UHS Auditorium  
Grant Requests
